1. BACKGROUND & SITUATION

As temperatures drop, the skin barrier weakens and daily moisture loss accelerates visible signs of fatigue. Winter Ritual repositions our flagship Regenerating Night Cream as the cornerstone of a premium evening routine, leaning into the emotional value of self-care during the colder months. Q3 brand tracking shows awareness of the night-cream line has plateaued among our core 35-55 segment; this campaign is the lead initiative of the FY25/26 winter plan to re-energize the product line ahead of the holiday gifting season.

Competitive context: Key competitors (La Mer, Estée Lauder Advanced Night Repair) are leaning heavily into clinical/scientific storytelling this season. FullCosmetics should differentiate through warmth and ritual rather than competing purely on ingredient claims.

2. CAMPAIGN OBJECTIVE & KPIs

Primary goal: Increase brand awareness in the premium skincare segment

Measurable objectives:

- Achieve 2.5M+ impressions across paid social in the first 4 weeks
- Lift unaided brand awareness in the 35-55 segment by 6 points (vs. Q3 baseline)
- Drive a 15% increase in night-cream category page visits on fullcosmetics.com

3. TARGET AUDIENCE

Summary: Women 35-55, skin-conscious, premium lifestyle

Established skincare buyers with disposable income, already familiar with FullCosmetics' premium range. They research ingredients before purchasing, follow 1-2 skincare experts/dermatologists on social media, and value brands that combine scientific credibility with an emotional, ritualistic narrative. Primary channels: Instagram, Pinterest, owned e-commerce, in-store at Sephora/department store counters.

4. TONE OF VOICE & KEY MESSAGES

Tone of voice: Sophisticated, reassuring, slightly clinical

Key messages (in priority order):

- Deep regeneration overnight
- Clinically tested formula
- Luxury skincare ritual

5. CHANNELS & MEDIA CONTEXT

- Paid social (Instagram, Pinterest) — primary
- Owned e-commerce homepage takeover
- In-store POS at flagship counters (Q1 2026 rollout)

6. CREATIVE DELIVERABLES

- 1x hero background visual — empty studio set, brand palette, pack-shot ready
- 1x headline + tagline + supporting copy (EN, to be localized post-approval)
- Formats required: 1080x1080 (social feed), 1920x1080 (web banner)

7. MANDATORIES & CONSTRAINTS

- FullCosmetics logo lock-up per brand guidelines v4.2
- No competitor brand names or visual references
- Claims must align with approved regulatory copy deck (Legal sign-off pending)

8. CREATIVE NOTES

Avoid overly clinical imagery. The visual should feel warm and tactile, consistent with prior 'Ritual' line campaigns. No product packshot needed at this stage — background only, product will be composited later by the design team. Reference moodboard attached separately in Workfront proof folder.
